Dear Folk Collection,

I would like to express my gratitude for your participation and performance as part of the Downtown Cultural Series on October 19, 2007 at the Lloyd D. George United States Courthouse.

Thank you for enriching our performing arts series by delivering a wonderful performance for the City of Las Vegas and our guests. I have received nothing but positive comments and feedback.

Both young and old alike enjoyed your show. I have rarely seen an artist who has the ability to reach out to all ages.

The Folk Collection is entertaining and professional in every respect. Without hesitation, I would recommend you to other performing arts venues.

We look forward to working with you again in the future.

Sincerely,

A handwritten signature in black ink that reads "Brian M. Kendall". The signature is written in a cursive style with a long horizontal flourish extending to the right.
