Dear Bob:

On behalf of the City of Sierra Madre thank you for adding to the marvelous and continued success of the Summer Concerts in the Park Series "Spectacular Summer Sounds" for the summer of 2007. Thank you for playing for our City on Sunday, July 8, 2007 in the Memorial Park Bandshell. The Folk Collection was a great addition to our series. Residents and concert enthusiasts gave the Folk Collection great praise and everyone was happy with the performance. We hope to see you in Sierra Madre in the future. Thanks again for everything.

Sincerely,

Alexis Braun
Recreation Coordinator
