Re: Recommendation for all those interested in a great concert!

Hello,

I, Dennis Tomlinson, President for 21 years (HVCCA), highly recommend **The Folk Collection** (Tony, Ed, and Mike) for your next concert.

They are "*back by popular demand*" for our up-coming 2023-2024 season on October 8th.because they received the most votes in our last HVCCA member survey on March 12, 2023. **The Folk Collection** was one of our five concerts when we celebrated our 75th anniversary. HVCCA has been in Escondido since 1945.

They sing the classic 60's folk songs...Tom Dooley, If I Had a Hammer, Four Strong Winds, They Call the Wind Maria, and many more. Check out their website. www.thefolkcollection.com

Tell your people to all come and enjoy an afternoon or evening of great music, humor and a few sing-a-longs!

Sincerely,

Dennis Tomlinson

President, HVCCA

P.S Yes, they know the Kingston Trio and a lot of other folk singers...it's a small world.
