Dear Pat,

I so enjoyed working with The Folk Collection for our July 4, 2010 Celebration in Loveland. Such nice people...and true professionals at our outdoor venue. The rain started falling in torrential sheets about the time of intermission. Hail was in the forecast so we invited the crowd to take cover on the stage. The guys unplugged, turned around, and did their second set acoustically. I guarantee that everyone who was on the stage that evening became huge fans of The Folk Collection! I truly appreciate the performers' flexibility and grace in the face of nasty weather conditions.

I will look forward to the opportunity to present The Folk Collection again, perhaps at our Rialto Theater. I know they would be an excellent fit for this venue and its audience.

Sincerely,

Kim Akeley-Charron
